## Our Eco-Christmas activities

By mr. sc. Biljana Pavić

Osijek, 18. 12. 2013.

Nowadays children tend to be rather cruel so our task (teachers and adults) is to make school children sensitive to others problems. December is the ideal month of the year for it. Therefore, in my school we encourage our children to help people, children, dogs, cats and nature.

# Ours activities in December

- Activity "1000 joys"
- Activity, "Babyies small basket"
- Activity, Let`s help the dogs in the shelter in Nemetin
- Activity, Let`s help the work of the Association "Maca"
- Activity, Thank you I don`t need a bag
- Activity "Save a Christmas tree"
- Recycling paper and making Christmas cards

# Activity "1000 joys"

- In cooperation with Caritas
- Donate money (5 kn, get the bracelet or key ring/mobile phone)
- A half of collected money we donate to a poor student from our school

# Activity "Baby's small basket"

- Also in cooperation with Caritas
- Children`s food, clothes, toys, toiletries

# Activity, Let`s help the dogs in the shelter in Nemetin

We can donate blanket, food containers, toys for dogs or money

# Yesterday we visited shelter in Nemetin

# Activity, Let`s help the work of the Association "Maca"

Buying calendars with cats

# Activity, "Thank you I don't need a bag"

Tens of thousands of whales, birds, seals and turtles are killed every year from plastic bag litter

We appeal to customers to bring their own baskets, canvas bags or biodegradable when they go shopping. We also share papers bags with messages and leaflets.

# Activity "Save a Christmas tree"

- Buying a Christmas tree with roots - after the holidays you can plant in the park, a garden or donate
- Buy an artificial tree
- If you have have a felled tree, after the holidays you can use it for making compost

# Eco-Christmas tree from my School

# Recycling paper and making Christmas cards

# Some of ours Christmas cards

# Thanks for your patience!

Merry Christmas and Happy New Year!

Your Biljana
